With options to rent, buy used or go digital, we strive to provide a best in class experience for our customers, all while offering affordable options.

Once you start classes we are dedicated to continuing our support of your student journey. We offer the best selection of Salve gear around. Our shelves are stocked with all the supplies you will use. Need technology? We have accessories for most smartphones, tablets and laptops and we are an Apple Authorized Reseller. We even have snacks, for those days you are super busy!

We hope to meet you soon.
